SKYLANTERN ACADEMY

Online tuition classes

ABOUT THE FOUNDER

Nithiyalakshmi Sudhakaran, the founder of Skylantern Academy, began her career as a software engineer. After settling in Hosur post-marriage, she sought a balance between work and family life. Leveraging her excellent math skills and certification as a coding tutor, she started tutoring and eventually founded Skylantern Academy. Her mission is to empower women to achieve financial independence while maintaining a work-life balance.

TESTIMONIALS FROM PARENTS

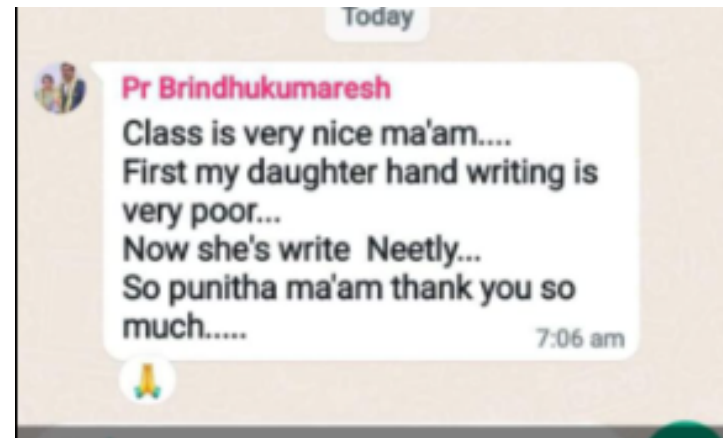

Dear Ma'am,

We are very satisfied with Ms. Sowmiya ma'am's teaching...she has been handling the classes very dedicatedly.. Truly we appreciate her efforts.... Hethanshri is very comfortable with her reaching.... She is true to her profession 🙏hopefully Hethanshri will achieve good results.....we as working parents and were extremely stressed out with Hethan studies as we were not able to give the required time on daily basis..... we hope to continue the learning journey with Sowmiya ma'am 🙌🙌

00:02

The online educational platform proves to be exceptionally beneficial and valuable.

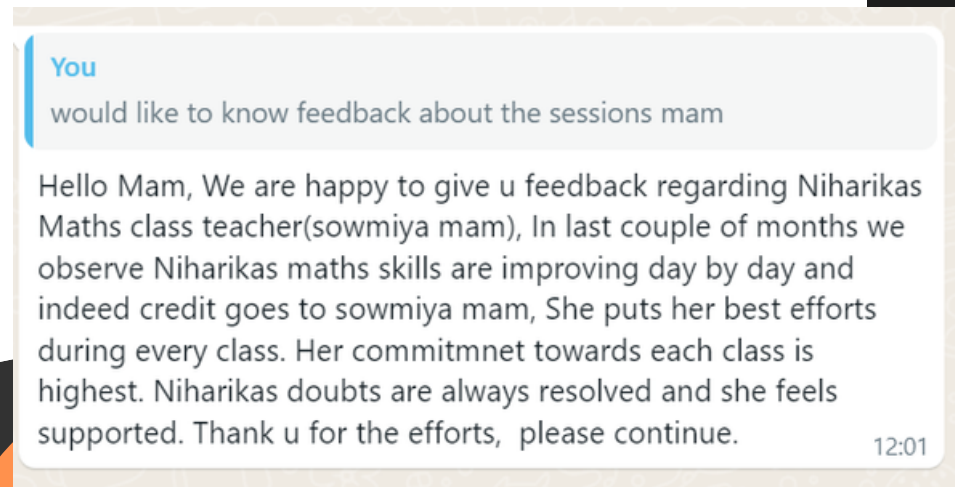

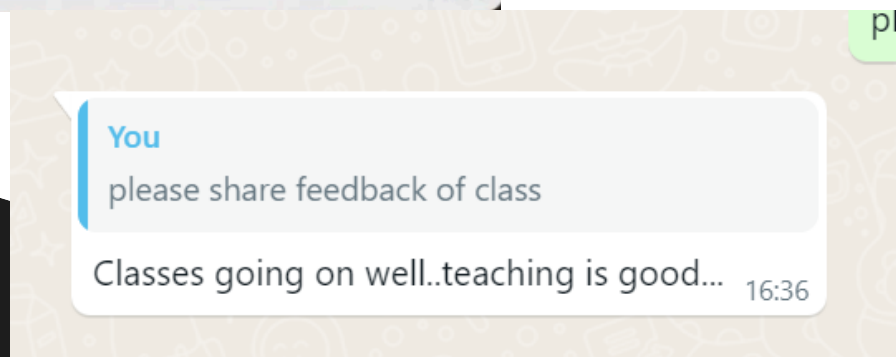

00:03

Ms shabina about she did that and I can see that mass improvement in my child's learning journey. She helped to deliver improvement from creative writing,spellings and reading

She took the time to understand my daughter learning style and adapted her method to help her. She is very patient ,motivating and highly knowledgeable..

was in search for a tutor who makes
